

June 24, 2010

Welcome to the neighborhood!

We, the Ellsworth Heights BOD, are happy to have you here. Ellsworth Heights is a small, close nit community. I think/hope you will enjoy living here. Whether you rent or own we hope to see you at some of the community social events.

We don't typically have many issues with community rule breaking. I think everyone does their best to be a good neighbor and this attitude pervades the community. 2 small issues arise from time to time. They revolve around parking and trash/recycle bins. Please do your best to follow the CCRs and parking policy. With trash, if you are going to be out of town please use your neighborhood roster to have someone help you with your bin. Thanks!

I have listed a few resources below for questions and concerns about the neighborhood. We are excited to have you in our neighborhood. Welcome!

Sincerely,

Ellsworth Heights BOD
