Parking Policy

In effect until further notice

Supplement to CCR's

Owners should make every effort to have visitor's park on their property (driveway).

If unable to accommodate visitor parking on their own property, visitors will park on the street starting with the closest legal parking spot to the owner's house. Subsequent visitor parking will continue in this manner. Please observe time limits in CCRs.

Note: Mesa City Ordinance prohibits parking within 30' of a stop sign.

Note: Parking vehicles for the intent of sale is against Mesa City Ordinance.
