## Pueblo at Andersen Springs: Gate Remote Type

Owners who would like a remote would purchase the following remote:

### Liftmaster 892LT 2-Button Security+ 2.0™ Learning Remote Control

[Email to a Friend](#)

[Pin it](#)

[Email to a Friend](#)

★★★★★ [3 Review\(s\)](#) | [Add Your Review](#)

This remote control is ideal for gated communities. One button can control a gate operator and the other can control a garage door. It can also be programmed to different codes and frequencies.

- This remote can be purchased at any online or garage door company.

Once a remote has been purchased, contact Lee ([leekrausnick@cox.net](mailto:leekrausnick@cox.net)), as he needs to program it.

A confirmation will be sent to you regarding the completion of this request once it has been uploaded to the gate telephone unit.

Thank you
