The Declarant declares that all of the Property within the Project shall be held, sold and conveyed subject to this Declaration. By acceptance of a deed or by acquiring any interest in any of the Property subject to this Declaration, each Person, for him/herself or itself, his/her or its heirs, personal representatives, successors, transferees and assigns, binds him/herself, his/her heirs, personal representatives, successors, transferees and assigns, to all of the provisions, restrictions, covenants, conditions, rules, and regulations now or hereafter imposed by this Declaration and any amendments thereof. Declarant makes no representations or warranties whatsoever that: (i) the Project will be completed in accordance with the plans for the Project as they exist on the date this Declaration is Recorded; (ii) any Property subject to this Declaration will be committed to or developed for a particular use or for any use; or (iii) the use of any Property subject to this Declaration will not be changed in the future. The voting rights of the Owners of Lots within the Additional Property shall be effective as of the date such Lots are subject to Assessment pursuant to Section 6.6 of this Declaration. The annexation of Additional Property into the Project shall be at the Declarant's or the Additional Property Owner's sole discretion, and nothing contained herein shall be deemed to require the Declarant or the Additional Property Owner to annex all or any of the Additional Property. Neither the Declarant, the Association, nor any director, officer, agent or employee of the Declarant or the Association shall be liable to any Owner or Resident, or their families, guests or invitees, for any claims or damages resulting, directly or indirectly, from the existence of the Southern Pacific Railroad line or equestrian trails and any injury to persons or property related thereto.

No Modification which in any way alters the exterior appearance, including but without limitation, the exterior color scheme, of any part of a Lot, or any Improvements

Accordingly, approval of the Architectural Committee is not required for the Modification of any Improvement situated in the backyard of a Lot unless such Improvement is or would be Visible From Neighboring Property. Any Owner desiring approval of the Architectural Committee for the Modification of any Improvement which is or would be Visible From Neighboring Property shall submit to the Architectural Committee a written request for approval specifying in detail the nature and extent of the Modification which the Owner desires to perform, including, without limitation, the distance of such work from neighboring properties, if applicable. Any Owner requesting the approval of the Architectural Committee shall also submit to the Architectural Committee any additional information, plans, and specifications which the Architectural Committee may request. If the Architectural Committee fails to approve or disapprove an application for approval within thirty (30) days after the application, together with any fee payable pursuant to Subsection 3.1.5 of this Declaration and all supporting information, plans, and specifications requested by the Architectural Committee, have been submitted to the Architectural Committee, approval will not be required and this Subsection 3.1.2 will be deemed to have been complied with by the Owner requesting approval of such Modification. The approval by the Architectural Committee of any Modification pursuant to this Subsection 3.1.2 shall not be deemed a waiver of the Architectural Committee's right to withhold approval of any similar Modification subsequently submitted for approval.

3.1.3 Upon receipt of approval from the Architectural Committee for any Modification, the Owner requesting such approval shall proceed to perform, construct or make the Modification approved by the Architectural Committee as soon as practicable and shall diligently pursue such work so that it is completed as soon as reasonably practicable and within such time as may be prescribed by the Architectural Committee.

3.1.4 Any change, deletion, deviation, or addition to the plans and specifications approved by the Architectural Committee must be approved in writing by the Architectural Committee.

3.1.5 The Architectural Committee shall have the right to charge and collect a reasonable fee for reviewing requests for approval of any Modification pursuant to this Section 3.1, which fee shall be payable at the time the application for approval is submitted to the Architectural Committee.

3.1.6 All Improvements constructed on Lots shall be of new construction, and no buildings or other structures shall be removed from other locations onto any Lot.

3.1.7 The provisions of this Section 3.1 do not apply to, and approval of the Architectural Committee shall not be required for, the construction, erection, installation, addition, alteration, repair, change or replacement of any Improvements made by, or on behalf of, the Declarant or any of its affiliates.

3.1.8 The approval required of the Architectural Committee pursuant to this Section 3.1 shall be in addition to, and not in lieu of, any approvals or permits which may be required under any federal, state or local law, statute, ordinance, rule or regulation.

3.1.9 The Architectural Committee's approval of plans and specifications shall not be deemed to approve the engineering design of an Improvement and shall not be deemed to be a representation or warranty, whether express or implied, that said plans or specifications comply with applicable governmental ordinances or regulations including, without limitation, zoning ordinances and building codes, and industry standards for design or construction of Improvements within the Property. Neither the Association, the Board, any members of the Board or the Architectural Committee, nor the Declarant, assumes any liability or responsibility therefor, or for any defect in any structure constructed from such plans and specifications, and shall not be liable to any Owner or Person for any damage, loss or prejudice suffered or claimed on account of (a) the approval or disapproval of any plans, drawings and specifications, whether or not defective, (b) the construction or performance of any work, whether or not pursuant to approved plans, drawings and specifications, or (c) the development, or manner of development, of the Property.

3.2 Temporary Occupancy and Temporary Buildings. No trailer, basement of any incomplete building, tent, shack, garage or barn, and no temporary buildings or structures of any kind, shall be used at any time for a residence, either temporary or permanent. Except for temporary buildings, trailers or other structures used by Declarant, temporary buildings, trailers or other structures used during the construction of Improvements approved by the Architectural Committee shall be removed immediately after the completion of construction.

3.3 Nuisances; Construction Activities. No rubbish or debris of any kind shall be placed or permitted to accumulate upon or adjacent to any Lot or other property, and no odors or loud noises shall be permitted to arise or emit therefrom, so as to render any such property or any portion thereof, or activity thereon, unsanitary, unsightly, offensive or detrimental to any other property in the vicinity thereof or to the occupants of such other property. No other nuisance shall be permitted to exist or operate upon any Lot or other property so as to be offensive or detrimental to any other property in the vicinity thereof or to its occupants. Normal construction activities and parking in connection with the building of Improvements on a Lot or other property shall not be considered a nuisance or otherwise prohibited by this Declaration, but Lots and other property shall be kept in a neat and tidy condition during construction periods, trash and debris shall not be permitted to accumulate, and supplies of brick, block, lumber and other building materials shall be piled only in such areas as may be approved in writing by the Architectural Committee. In addition, any construction equipment and building materials stored or kept on any Lot or other property during the construction of Improvements may be kept only in areas approved in writing by the Architectural Committee, which may also require screening of the storage areas. The Architectural Committee in its sole discretion shall have the right to determine the existence of any such

nuisance. The provisions of this Section 3.3 shall not apply to construction activities of the Declarant.

3.4 Diseases and Insects. No Person shall permit any thing or condition to exist upon any Lot or other property which shall induce, breed or harbor infectious plant diseases or noxious insects.

3.5 Antennas. To the fullest extent permitted under federal, state and local law, the Architectural Committee shall have the right to regulate the conditions under which any antenna, aerial, satellite television dish or other device for the transmission or reception of television or radio signals or any other form of electromagnetic radiation proposed to be erected, used or maintained outdoors on any portion of the Project whether attached to a Residence or structure or otherwise. To the fullest extent permitted by applicable law, the prior approval of the Architectural Committee will be required for the installation, use or maintenance of any such device, which approval the Architectural Committee may condition upon the satisfaction of certain conditions including, but not limited to, the size, placement, height, means of installation and screening of such devices.

3.6 Mineral Exploration. No Lot or other property shall be used in any manner to explore for or to remove any water, oil or other hydrocarbons, minerals of any kind, gravel, earth or any earth substance of any kind.

3.7 Trash Containers and Collection. No garbage or trash shall be placed or kept on any Lot or other property, except in covered containers of a type, size and style which are approved by the Architectural Committee. In no event shall such containers be maintained so as to be Visible From Neighboring Property except to make the same available for collection and then only for the shortest time reasonably necessary to effect such collection. All rubbish, trash, or garbage shall be removed from Lots and other property and shall not be allowed to accumulate thereon. No outdoor incinerators shall be kept or maintained on any Lot or other property. Notwithstanding the foregoing, during the period of construction, open trash containers Visible from Neighboring Property may be maintained on a Lot if approved by the Architectural Committee. The restrictions contained in this Section shall not apply to garbage or trash, or garbage or trash containers, placed or kept on any Lot or other property by Declarant.

3.8 Clothes Drying Facilities. No outside clotheslines or other outside facilities for drying or airing clothes shall be erected, placed or maintained on the front or sideyard of any Lot or other property. A clothesline may be erected and maintained on the backyard of a lot if (i) the backyard has a perimeter fence or wall, (ii) the clothesline is erected within the fenced or walled portion of the backyard, no less than seven (7) feet from the fence or wall, and (iii) the clothesline is screened from neighboring property by trees or shrubs.

3.9 Basketball Facilities. Basketball equipment may not be installed on any Lot unless approved in advance by the Architectural Committee. The installation of such equipment may be subject to stipulations imposed by the Architectural Committee. The

basketball equipment shall be kept in good repair (as examples, basketball nets shall be replaced when torn and backboard poles shall be free of rust) and shall be removed when no longer utilized.

3.10 Utility Service. No lines, wires, or other devices for the communication or transmission of electric current or power, including telephone, television, and radio signals, shall be erected, placed or maintained anywhere in or upon any Lot or other property unless the same shall be contained in conduits or cables installed and maintained under ground or concealed in, under or on buildings or other structures approved by the Architectural Committee. No provision of this Declaration shall be deemed to forbid the erection of temporary power or telephone structures incident to the construction of buildings or structures approved by the Architectural Committee.

3.11 Overhead Encroachments. No tree, shrub, or planting of any kind on any Lot or other property shall be allowed to overhang or otherwise to encroach upon any sidewalk, street, pedestrian way or other area from ground level to a height of eight (8) feet.

3.12 Residential Use. All Lots shall be used, improved and devoted exclusively to residential use. No trade or business may be conducted on any Lot or in or from any Residence, except that an Owner or other Resident of a Residence may conduct a business activity within a Residence so long as: (i) the existence or operation of the business activity is not apparent or detectable by sight, sound or smell from outside the Residence; (ii) the business activity conforms to all applicable zoning ordinances or requirements for the Project; (iii) the business activity does not involve persons coming onto the Lot or the door-to-door solicitation of Owners or other Residents in the Project; and (iv) the business activity is consistent with the residential character of the Project and does not constitute a nuisance or a hazardous or offensive use or threaten security or safety of other Residents in the Project, as may be determined from time to time in the sole discretion of the Board. The terms "business" and "trade" as used in this Section 3.12 shall be construed to have ordinary, generally accepted meanings, and shall include, without limitation, any occupation, work or activity undertaken on an ongoing basis which involves the provision of goods or services to persons other than the Residents of a Residence and for which the provider receives a fee, compensation or other form of consideration, regardless of whether: (i) such activity is engaged in full or part time; (ii) such activity is intended to or does generate a profit; or (iii) a license is required for such activity. The leasing of a Residence by the Owner thereof or baby-sitting services provided by an Owner shall not be considered a trade or business within the meaning of this Section 3.12.

3.13 Animals. No animal, bird, fowl, poultry, reptile or livestock may be kept on any Lot, except that a reasonable number (as determined by the Board in its sole and absolute discretion, which determination may take into effect the size and number of pets and which determination may change from time to time based upon the growth, habits, and circumstances involving pets previously approved) of dogs, cats, parakeets or similar household birds (collectively, "Permitted Pets") which may be kept on a Lot if they are kept, bred or raised thereon solely as domestic pets and not for commercial purposes and provided such Permitted Pets are not a nuisance to any other Owner. Notwithstanding the foregoing, an Owner may keep

two Permitted Pets without the prior approval of the Board. All Permitted Pets shall be confined to an Owner's Lot, except that a dog or cat may be permitted to leave an Owner's Lot if such dog or cat is at all times kept on a leash and is not permitted to enter (i) upon any other Lot, or (ii) the "Tot Lots" or other Common Area maintained for the exclusive benefit of children. No Permitted Pet shall be allowed to make an unreasonable amount of noise or to become a nuisance. No structure for the care, housing or confinement of any Permitted Pet shall be maintained so as to be Visible From Neighboring Property. Upon the written request of any Owner or Resident, the Board shall conclusively determine, in its sole and absolute discretion, whether, for the purposes of this Section 3.13, one or more Permitted Pets are creating a nuisance or making an unreasonable amount of noise. Any decision rendered by the Board shall be enforceable in the same manner as other restrictions set forth in this Declaration. Any Owner, Resident or Person who brings or permits a pet to be on the Common Area or any Lot shall be responsible for immediately removing any solid waste deposited by such pet. This Section 3.13 shall not be construed to limit the public right to use a portion of Tract C of the Property as equestrian trails, as granted by the easement identified in Section 2.4.

3.14      Machinery and Equipment. No machinery or equipment of any kind shall be placed, operated or maintained upon or adjacent to any Lot, except such machinery or equipment as is usual and customary in connection with the use, maintenance or construction (during the period of construction) of a building, appurtenant structures, or other Improvements or such machinery or equipment which Declarant or the Association may require for the operation and maintenance of the Project.

3.15      Signs. No signs whatsoever (including, but not limited to, commercial, "for sale", "for rent" and similar signs) which are Visible From Neighboring Property shall be erected or maintained on any Lot except:

3.15.1      Signs required by legal proceedings;

3.15.2      Residence identification signs provided the size, color, content and location of such signs have been approved in writing by the Architectural Committee;

3.15.3      One (1) "For Sale" sign provided the size, color, design, message content, location and type has been approved in writing by the Architectural Committee; and

3.15.4      Model home and other signs erected and maintained by the Declarant pursuant to Section 4.4 of this Declaration.

3.16      Restriction on Further Subdivision, Property Restrictions and Rezoning. No Lot shall be further subdivided or separated into smaller lots or parcels by any Owner other than the Declarant, and no portion less than all of any such Lot shall be conveyed or transferred by any Owner other than the Declarant, without the prior written approval of the Architectural Committee. No further covenants, conditions, restrictions or easements shall be

Recorded by any Owner, Resident, or other Person other than the Declarant against any Lot without the provisions thereof having been first approved in writing by the Architectural Committee. No application for rezoning, variances or use permits pertaining to any Lot shall be filed with any governmental authority by any Person other than the Declarant unless the application has been approved by the Architectural Committee and the proposed use otherwise complies with this Declaration.

3.17 Parking and Storage. No automobile, motorcycle, motorbike, commercial vehicle, recreational vehicle, mobile home, trailer, boat or other watercraft, oversized vehicle, or inoperable vehicle may be parked or stored within the Project so as to be Visible From Neighboring Property except for: (i) the temporary parking of a motor home, travel trailer, camper, recreational vehicle or boat and boat trailer on the concrete driveway situated on a Lot for a period of not more than twenty-four (24) consecutive hours and not more than forty-eight (48) hours within any seven (7) day period for the purpose of loading or unloading such vehicle or equipment; (ii) temporary construction trailers or facilities maintained during, and used exclusively in connection with, the construction of any Improvement approved by the Architectural Committee; or (iii) a car or truck not exceeding seven (7) feet in height and twenty (20) feet in length or one motorcycle (not on a trailer) parked on the concrete driveway situated on a Lot; and (iv) the temporary parking of a vehicle owned by a guest or invitee on any road or street in the Project for a period of not more than twelve (12) consecutive hours. Notwithstanding the above, an Owner, guest or invitee may obtain a variance to this parking restriction as provided in Section 3.20 of this Declaration, and nothing in this Section 3.17 shall be deemed to preclude the parking or storage of the above described vehicles, boats, or trailers within a garage.

3.18 Maintenance and Repair. No vehicle, boat, or trailer of any type or kind including, but not limited to, those listed in Section 3.17 of this Declaration, may be constructed, reconstructed, or repaired upon a Lot or any other property within the Project except for: (i) emergency repairs which are commenced and completed within 48 hours; and (ii) repairs within a garage.

3.19 Towing of Vehicles. The Board shall have the right to have any truck, mobile home, travel trailer, tent trailer, trailer, camper shell, detached camper, recreational vehicle, boat, boat trailer or similar equipment or vehicle or any automobile, motorcycle, motorbike, or other motor vehicle which is parked, kept, maintained, constructed, reconstructed or repaired in violation of the Project Documents towed away at the sole cost and expense of the owner of the vehicle or equipment. Any expense incurred by the Association in connection with the towing of any vehicle or equipment shall be paid to the Association upon demand by the owner of the vehicle or equipment. If the vehicle or equipment is owned by an Owner or a guest or invitee of an Owner, any amounts payable to the Association shall be secured by the Assessment Lien, and the Association may enforce collection of such amounts in the same manner provided for in this Declaration for the collection of Assessments.

### 3.20 Variances; Diminution of Restrictions.

3.20.1 The Board may, at its option and in extenuating circumstances, grant variances from the restrictions set forth in this Article 3 if the Board determines in its discretion that (i) a restriction would create an unreasonable hardship or burden on an Owner or Resident, or a change of circumstances since the Recordation of this Declaration has rendered such restriction obsolete; and (ii) that the activity permitted under the variance will not have any substantial adverse effect on the Owners or Residents of the Project and is consistent with the high quality of life intended for Residents of the Project. If any restriction set forth in this Article 3 is adjudged or deemed to be invalid or unenforceable as written by reason of any federal, state or local law, ordinance, rule or regulation, then a court or the Board, as applicable, may interpret, construe, rewrite or revise such restriction to the fullest extent allowed by law, so as to make such restriction valid and enforceable. Such modification shall not serve to extinguish any restriction not adjudged or deemed to be unenforceable.

3.20.2 Notwithstanding anything to the contrary contained herein, due to the larger size of Lots 259 through 280, inclusive, the greater distance between the Residences constructed on these Lots, and, as a consequence, the reduced aesthetic impact on other Lots in the Project, the Board shall have the right to grant variances to the restrictions set forth in Section 3.5, 3.8, 3.13, 3.14, 3.17 and Section 3.18 provided such variances do not adversely impact the Project or adjacent Lot Owners, in the reasonable discretion of the Board.

3.21 Drainage. No Residence, structure, building, landscaping, fence, wall or other Improvement shall be constructed, installed, placed or maintained in any manner that would obstruct, interfere with or change the direction or flow of water in accordance with the drainage plans for the Project, or any part thereof, or for any Lot as shown on the drainage plans on file with the county or municipality in which the Project is located.

3.22 Garages and Driveways. Garages shall be used only for the parking of vehicles and shall not be used or converted for living or recreational activities without the prior written approval of the Architectural Committee. Items may be stored in a garage so long as there is still sufficient space in the garage for the parking of at least one (1) passenger car.

3.23 Rooftop Air Conditioners Prohibited. No air conditioning units or appurtenant equipment may be mounted, installed or maintained on the roof of any Residence or other building so as to be Visible From Neighboring Property.

3.24 Leases. Any agreement for the lease of all or a portion of a Residence shall provide that the terms of such lease shall be subject in all respects to the provisions of the Project Documents, and shall provide that any failure by the Lessee to comply with the terms of the Project Documents shall be a default under the lease. Any Owner who leases a Residence shall be responsible for assuring compliance with the Project Documents by such Owner's Lessee. No Lot shall be leased for transient or hotel purposes, which shall be defined as a rental for any period less than thirty (30) days.

## ARTICLE 4 EASEMENTS

### 4.1 Owners' Easements of Enjoyment.

4.1.1 Subject to the rights and easements granted to the Declarant in Sections 4.4 and 4.5, of this Declaration, every Owner or Resident, and any Person residing with such Owner or Resident, shall have a right and easement of enjoyment in and to the Common Area, which right shall be appurtenant to and shall pass with the title to every Lot, subject to the following provisions:

(i) The right of the Association to dedicate, convey, transfer or encumber the Common Area as provided in Section 5.11 of this Declaration.

(ii) The right of the Association to regulate the use of the Common Area through the Association Rules and to prohibit access to such portions of the Common Area, such as landscaped areas, not intended for use by the Owners or Residents.

(iii) The right of the Association to suspend the right of an Owner and such Owner's family, tenants and guests to use the Common Area if such Owner is more than fifteen (15) days delinquent in the payment of Assessments or other amounts due to the Association or if the Owner has violated any other provisions of the Project Documents and has failed to cure such violation within fifteen (15) days after the Association notifies the Owner of the violation.

4.1.2 If a Lot is leased or rented by the Owner thereof, the Lessee and the members of the Lessee's family residing with such Lessee shall have the right to use the Common Area during the term of the lease, and the Owner of such Lot shall have no right to use the Common Area until the termination or expiration of such lease.

4.2 Wall Easements. Once constructed, if any wall (whether a Boundary Wall or other wall) encroaches upon the Areas of Association Responsibility or a Lot, a valid easement for such encroachment, and for the maintenance of such wall, shall exist in favor of the Association and/or the Owner of the Lot(s) which share such wall, provided such encroachment does not exceed twelve (12) inches.

4.3 Utility Easement. There is hereby created an easement upon, across, over and under the Areas of Association Responsibility and the Lots for reasonable ingress, egress, installation, replacement, repair or maintenance of all utilities, including, but not limited to, gas, water, sewer, telephone, cable television and electricity. By virtue of this easement, it shall be expressly permissible for the providing utility company to erect and maintain the necessary equipment on the Areas of Association Responsibility or Lots, but no sewers, electrical lines, water lines, or other utility or service lines may be installed or located on the

Areas of Association Responsibility or Lots except as initially designed, approved and constructed by the Declarant as approved by the Architectural Committee.

4.4 Use for Sales and Leasing by Declarant. Declarant and its duly authorized affiliates, agents, employees and representatives shall have the right and an easement to maintain sales or leasing offices, management offices and models throughout the Project and to maintain one or more advertising, identification or directional signs on the Common Area or on the Lots owned by Declarant while the Declarant is selling Lots. Declarant reserves the right to place models, management offices and sales and leasing offices on any Lots owned by Declarant or its affiliates and on any portion of the Common Area in such number, of such size and in such locations as Declarant deems appropriate. In the event of any conflict or inconsistency between this Section 4.4 and any other provision of this Declaration, this Section shall control.

4.5 Declarant's Rights and Easements. Declarant shall have the right and an easement on and over the Areas of Association Responsibility to construct all Improvements the Declarant may deem necessary and to use the Areas of Association Responsibility and any Lots and other property owned by Declarant for construction or renovation related purposes including the storage of tools, machinery, equipment, building materials, appliances, supplies and fixtures, and the performance of work respecting the Project. Declarant shall have the right and an easement upon, over, and through the Areas of Association Responsibility as may be reasonably necessary for the purpose of discharging its obligations or exercising the rights granted to or reserved by the Declarant by this Declaration. Nothing in this Declaration shall limit the right of Declarant to alter the Common Areas or Lots owned by Declarant, or to construct additional Improvements as Declarant deems advisable prior to completion of all Improvements within the Project. Declarant reserves the right to alter its construction plans and designs as it deems appropriate in its sole discretion. In the event of any conflict or inconsistency between this Section 4.5 and any other provision of this Declaration, this Section shall control.

4.6 Easement in Favor of Association. The Lots are hereby made subject to the following easements in favor of the Association and its directors, officers, agents, employees and independent contractors:

4.6.1 For inspection of the Lots in order to verify the performance by Owners of all items of maintenance and repair for which they are responsible;

4.6.2 For inspection, maintenance, repair and replacement of the Areas of Association Responsibility accessible only from such Lots;

4.6.3 For correction of emergency conditions in one or more Lots;

4.6.4 For the purpose of enabling the Association, the Board, the Architectural Committee, or any other committees appointed by the Board, to exercise and discharge their respective rights, powers and duties under the Project Documents; and

4.6.5 For inspection of the Lots in order to verify that the provisions of the Project Documents are being complied with by the Owners, their guests, tenants, invitees and the other occupants of the Lot.

4.7 Granting Easements in Favor of Adjacent Lot Owners. Declarant or the Board shall have the right to grant easements or licenses to adjoining Lot Owners in perpetuity in connection with the correction or adjustment of a boundary between the Common Area and one or more Lots within the Project.

## ARTICLE 5 THE ASSOCIATION: ORGANIZATION; MEMBERSHIP AND VOTING RIGHTS

5.1 Formation of Association. The Association shall be a nonprofit Arizona corporation charged with the duties and invested with the powers prescribed by law and set forth in the Project Documents and every other right or privilege reasonably to be implied from the existence of any right or privilege given to the Association by the Project Documents or reasonably necessary to effectuate any such right or privilege. In the event of any conflict or inconsistency between this Declaration and the Articles, Bylaws, Association Rules, or Architectural Rules, this Declaration shall control.

5.2 Board of Directors and Officers. The affairs of the Association shall be conducted by the Board and such officers as the Board may elect or appoint in accordance with the Articles and the Bylaws. Unless the Project Documents specifically require the vote or written consent of the Members, approvals or actions to be given or taken by the Association shall be valid if given or taken by the Board. The Board shall have the power to levy reasonable fines against an Owner for a violation of the Project Documents by the Owner, a Lessee of the Owner or by any Resident of the Owner's Lot, and to impose late charges for payment of such fines if unpaid fifteen (15) or more days after the due date, provided that the late charge shall not exceed the greater of fifteen dollars (\$15.00) or ten percent (10%) of the amount of the unpaid fine, or such greater amount permitted under applicable law.

5.3 The Association Rules. The Board may, from time to time and subject to the provisions of this Declaration, adopt, amend and repeal rules and regulations pertaining to: (i) the management, operation and use of the Areas of Association Responsibility including, but not limited to, any recreational facilities situated upon the Areas of Association Responsibility; (ii) minimum standards for any maintenance of Lots; or (iii) the health, safety or welfare of the Owners and Residents. In the event of any conflict or inconsistency between the provisions of this Declaration and the Association Rules, the provisions of this Declaration

shall prevail. The Association Rules shall be enforceable in the same manner and to the same extent as the covenants, conditions and restrictions set forth in this Declaration.

5.4 Personal Liability. No member of the Board or of any committee of the Association, no officer of the Association, and no manager, representative, or employee of the Association, whether past or present (the "Indemnified Parties"), shall be personally liable to any Member, or to any other Person, including the Association, for any damage, loss or prejudice suffered or claimed on account of any act, omission, error, or negligence of the Association, the Board, or an Indemnified Party; provided, however, the limitations set forth in this Section 5.4 shall not apply to any Indemnified Party who has failed to act in good faith or has engaged in wilful or intentional misconduct. The Association shall indemnify and hold harmless the Indemnified Parties against all contractual liability to others arising out of contracts made on behalf of the Association unless such contract has been made in bad faith. The Association shall indemnify each Indemnified Party against expenses and liabilities, including reasonable attorneys' fees, incurred or imposed upon him or her in connection with any proceeding in which he or she may be a party, or in which he or she may become involved, by reason of such Person being a director, officer, employee, committee member, or other Person acting on behalf of the Association, except in such cases where such Indemnified Party is adjudged guilty by a court of law of gross negligence or malfeasance in the performance of his or her duties. Indemnification shall be in addition to and not exclusive of all other rights to which such Indemnified Party may be entitled.

5.5 Implied Rights. The Association may exercise any right or privilege given to the Association expressly by the Project Documents and every other right or privilege reasonably to be implied from the existence of any right or privilege given to the Association by the Project Documents or reasonably necessary to effectuate any such right or privilege.

5.6 Identity of Members. Membership in the Association shall be limited to Owners of Lots. Upon becoming the Owner thereof, an Owner of a Lot shall automatically be a Member of the Association and shall remain a Member of the Association until such time as the ownership ceases for any reason, at which time the membership in the Association shall automatically cease.

5.7 Classes of Members and Voting Rights. The Association shall have the following two (2) classes of voting membership:

(i) Class A. Class A Members are all Owners of Lots, with the exception of the Declarant until the termination of the Class B membership. Each Class A Member shall be entitled to one (1) vote for each Lot owned. Upon the termination of the Class B membership, the Declarant shall be a Class A Member so long as the Declarant owns any Lot.

(ii) Class B. The Class B Member shall be the Declarant. The Class B Member shall be entitled to three (3) votes for each Lot owned. The Class B membership shall cease and be converted to Class A membership on the earliest of (i) the date on which the votes entitled to be cast by the Class A Members equals or exceeds the votes

entitled to be cast by the Class B Member; (ii) the date which is seven (7) years after the recording of this Declaration; or (iii) when the Declarant notifies the Association in writing that it relinquishes its Class B membership.

5.8 Voting Procedures. No change in the ownership of a Lot shall be effective for voting purposes unless and until the Board is given actual written notice of such change and is provided satisfactory proof thereof. The vote for each such Lot must be cast as a unit, and fractional votes shall not be allowed. In the event that a Lot is owned by more than one Person and such Owners are unable to agree among themselves as to how their vote or votes shall be cast, they shall lose their right to vote on the matter in question. If any Member casts a vote representing a certain Lot, it will thereafter be conclusively presumed for all purposes that he/she was acting with the authority and consent of all other Owners of the same Lot unless objection thereto is made at the time the vote is cast. In the event more than one vote is cast by a Class A Member for a particular Lot, none of the votes shall be counted and all of the votes shall be deemed void.

5.9 Transfer of Membership. The rights and obligations of any Member other than the Declarant shall not be assigned, transferred, pledged, conveyed or alienated in any way except upon transfer of ownership of an Owner's Lot, and then only to the transferee of ownership to the Lot. A transfer of ownership of a Lot may be effected by deed, intestate succession, testamentary disposition, foreclosure of a mortgage of record, or such other legal process as now in effect or as may hereafter be established under or pursuant to the laws of the State of Arizona. Any attempt to make a prohibited transfer shall be void. Any transfer of ownership to a Lot shall operate to transfer the membership appurtenant to said Lot to the new Owner thereof. Each Purchaser of a Lot shall notify the Association in writing of the purchase within ten (10) days after such Purchaser becomes the Owner of a Lot.

5.10 Architectural Committee. The Board may create an Architectural Committee to perform the functions of the Architectural Committee set forth in this Declaration. In such event, the Architectural Committee shall be a Committee of the Board and shall consist of such number of regular members and alternate members as may be provided for in the Bylaws. So long as the Declarant owns any Lot, the Declarant shall have the sole right to appoint and remove the members of the Architectural Committee. At such time as the Declarant no longer owns any Lot, the members of the Architectural Committee shall be appointed by the Board. The Declarant may at any time voluntarily surrender its right to appoint and remove the members of the Architectural Committee, and in that event the Declarant may require, for so long as the Declarant owns any Lot, that specified actions of the Architectural Committee, as described in a Recorded instrument executed by the Declarant, be approved by the Declarant before they become effective. The Architectural Committee may promulgate architectural guidelines, standards and procedures to be used in rendering its decisions. Such guidelines, standards and procedures may include, without limitation, provisions regarding: (i) the size of Residences; (ii) architectural design, with particular regard to the harmony of the design with the surrounding structures and topography; (iii) placement of Residences and other buildings; (iv) landscaping design, content and conformance with the character of the Property and permitted and prohibited plants; (v) requirements concerning exterior color schemes, exterior

finishes and materials; (vi) signage; and (vii) perimeter and screen wall or fence design and appearance. A decision of the Architectural Committee shall be appealable to the Board for a final determination on all architectural design matters submitted pursuant to this Declaration. Notwithstanding the foregoing, as long as Declarant owns a Lot within the Project, any Architectural Rules or construction guidelines adopted by the Architectural Committee or the Board shall be approved by Declarant prior to such adoption.

5.11 Conveyance or Encumbrance of Common Area. Except as provided in Section 4.7 of this Declaration, once conveyed to the Association, the Common Area shall not be mortgaged, transferred, dedicated or encumbered without the prior written consent or affirmative vote of the Class B membership of the Association and the affirmative vote or written consent of the Owners representing at least two-thirds (2/3) of the votes entitled to be cast by the Class A Members of the Association. Notwithstanding the foregoing or any other provision in this Declaration to the contrary, as long as Declarant owns a Lot within the Project, the Board, on behalf of the Association, shall have the right to grant utility easements in favor of municipal or state agencies, or to make non-substantial boundary line changes to accommodate minor encroachments of walls, fences, or other Improvements upon the Common Area.

5.12 Suspension of Voting Rights. If any Owner fails to pay any Assessments or other amounts due to the Association under the Project Documents within fifteen (15) days after such payment is due or if any Owner violates any other provision of the Project Documents and such violation is not cured within fifteen (15) days after the Association notifies the Owner of the violation in writing, the Board shall have the right to suspend such Owner's right to vote until such time as all payments, including interest and attorneys' fees, are brought current, and until any other infractions or violations of the Project Documents are corrected.

5.13 Approval of Litigation. Except for any legal proceedings initiated by the Association to (i) enforce the use restrictions contained in this Declaration; (ii) enforce the Association Rules; (iii) enforce the Architectural Committee Rules; (iv) collect any unpaid Assessments levied pursuant to this Declaration; or (v) enforce a contract entered into by the Association with vendors providing services to the Association, the Association shall not incur litigation expenses, including without limitation, attorneys' fees and costs, where the Association initiates legal proceedings or is joined as a plaintiff in legal proceedings, without the prior approval of a majority of the Members of the Association entitled to vote, excluding the vote of any Owner who would be a defendant in such proceedings. The costs of any legal proceedings initiated by the Association which are not included in the above exceptions shall be financed by the Association with monies that are specifically collected for that purpose and the Association shall not borrow money, use reserve funds, or use monies collected for other specific Association obligations. Each Owner shall notify prospective Purchasers of such legal proceedings initiated by the Board and not included in the above exceptions and must provide such prospective Purchasers with a copy of the notice received from the Association in accordance with Section 10.3 of this Declaration. Nothing in this Section 5.13 shall preclude the Board from incurring expenses for legal advice in the normal course of operating the Association to (i) enforce the Project Documents; (ii) comply with the statutes or regulations

related to the operation of the Association or the Areas of Association Responsibility; (iii) amend the Project Documents as provided in this Declaration; (iv) grant easements or convey Common Area as provided in this Declaration; or (v) perform the obligations of the Association as provided in this Declaration.

## ARTICLE 6

### COVENANT FOR ASSESSMENTS AND CREATION OF LIEN

6.1 Creation of Lien and Personal Obligation of Assessments. The Declarant, for each Lot owned by it, hereby covenants and agrees, and each Owner, other than the Declarant, by becoming the Owner of a Lot, is deemed to covenant and agree, to pay Assessments to the Association in accordance with this Declaration. All Assessments shall be established and collected as provided in this Declaration. The Assessments, together with interest, late charges and all costs, including but not limited to reasonable attorneys' fees, incurred by the Association in collecting or attempting to collect delinquent Assessments, whether or not suit is filed, shall be a charge on the Lot and shall be a continuing lien upon the Lot against which each such Assessment is made. Each Assessment, together with interest and all costs, including but not limited to reasonable attorneys' fees, incurred by the Association in collecting or attempting to collect delinquent Assessments, whether or not suit is filed, shall also be the personal obligation of the Person who was the Owner of the Lot at the time when the Assessment became due. The personal obligation for delinquent Assessments shall not pass to the successors in title of the Owner unless expressly assumed by them.

#### 6.2 Annual Assessments.

6.2.1 In order to provide for the operation and management of the Association and to provide funds for the Association to pay all Common Expenses and to perform its duties and obligations under the Project Documents, including the establishment of replacement and maintenance reserves, the Board, for each Assessment Period shall assess against each Lot an Annual Assessment.

6.2.2 The amount of the Annual Assessment for each Lot owned by Owners other than the Declarant shall be the amount obtained by dividing the total projected Common Expenses of the Association for the Assessment Period for which the Annual Assessment is being levied by the total number of Lots according to the Plat.

6.2.3 The Board shall give notice of the Annual Assessment to each Owner at least thirty (30) days prior to the beginning of each Assessment Period, but the failure to give such notice shall not affect the validity of the Annual Assessment established by the Board nor relieve any Owner from its obligation to pay the Annual Assessment. If the Board determines during any Assessment Period that the funds budgeted for that Assessment Period are, or will, become inadequate to meet all Common Expenses for any reason, including, without limitation, nonpayment of Assessment by Members, it may increase the Annual Assessment for that Assessment Period and the revised Annual Assessment shall commence on

the date designated by the Board. Notwithstanding the foregoing, no increase in the Annual Assessment under this Subsection 6.2.3 shall exceed the maximum Annual Assessment established pursuant to Subsection 6.2.4 of this Declaration.

6.2.4 Notwithstanding anything to the contrary contained in this Declaration, the Board shall not impose an Annual Assessment in any Assessment Period that is more than twenty percent (20%) greater than the immediately preceding fiscal year's Annual Assessment without the approval of the majority of the Members, or as otherwise provided in A.R.S. §33-1803(A), as amended from time to time.

6.3 Exemption for Declarant. So long as there is a Class B membership in the Association, the Class B Member shall not be required to pay any Assessment for Lots owned by the Class B Member but instead may pay the operating deficiencies of the Association as set forth in Section 6.4 below. When the Class B membership ceases, the Declarant shall pay the same Assessments for Lots owned by the Declarant as is payable for Lots owned by Class A Members. If a Lot ceases to qualify for the exemption granted herein to Declarant during the period to which an Assessment is attributable, the Assessment shall be prorated between the applicable rates on the basis of the number of days in the Assessment Period that Lots owned by the Declarant qualified for each rate.

6.4 Obligation of Declarant for Deficiencies. Unless the Declarant elects to waive its right to pay reduced Assessments pursuant to Section 6.3 above while it is a Class B Member, so long as there is a Class B membership in the Association, the Class B Member shall pay and contribute to the Association, as such funds are required by the Association, such funds as may be necessary when added to the Annual Assessments levied by the Association on all Class A Members, to pay all Common Expenses of the Association as they become due; provided, however, the obligation of the Class B Member to pay such amounts shall not exceed the amounts that otherwise would have been assessed against Lots owned by the Class B Member if the Class B Member had been a Class A Member. Amounts paid direct by the Class B Member to Association creditors, or assets purchased by the Class B Member for the Association, shall apply against the obligations of the Class B Member to pay Class B Assessments and its share of deficiencies in Common Expenses.

6.5 Special Assessments. The Association may levy against each Lot which is then subject to assessment, in any Assessment Period, a Special Assessment for the purpose of defraying, in whole or in part, expenses which include, but are not limited to, litigation, arbitration or other dispute resolution costs, the cost of any construction, reconstruction, repair or replacement of an Improvement upon the Areas of Association Responsibility, including fixtures and personal property related thereto, provided that any Special Assessment shall have the assent of two-thirds (2/3) of the votes entitled to be cast by Members who are voting in person or by proxy at a meeting duly called for such purpose.

6.6 Assessment Period. The period for which the Annual Assessment is to be levied (the "Assessment Period") shall be the calendar year, except that the first Assessment Period, and the obligation of the Owners to pay Annual Assessments shall

commence upon the conveyance of the first Lot to a Purchaser and terminate on December 31 of such year. The Board in its sole discretion from time to time may change the Assessment Period.

6.7 Commencement Date of Assessment Obligation. Subject to the provisions of Section 6.3, all Lots according to the Plat shall be subject to assessment upon the conveyance of the first Lot to a Purchaser; provided, however, that Lots within the Additional Property shall not become subject to assessment until the conveyance of the first Lot within the Additional Property to a Purchaser.

6.8 Rules Regarding Billing and Collection Procedures. Assessments shall be collected on a monthly or quarterly basis, or such other basis as may be selected by the Board. Special Assessments may be collected as specified by the Board. The Board shall have the right to adopt rules and regulations setting forth procedures for the purpose of making Assessments and for the billing and collection of the Assessments, provided that the procedures are not inconsistent with the provisions of this Declaration. The failure of the Association to send a bill to a Member shall not relieve any Member of its liability for any Assessment or charge under this Declaration, but the Assessment Lien therefor shall not be foreclosed until the Member has been given not less than thirty (30) days written notice prior to such foreclosure that the Assessment or any installment thereof is or will be due and of the amount owing. Such notice may be given at any time prior to or after delinquency of such payment. The Association shall be under no duty to refund any payments received by it even though the ownership of a Lot changes during an Assessment Period, but successor Owners of Lots shall be given credit for prepayments, on a prorated basis, made by prior Owners.

6.9 Effect of Nonpayment of Assessments; Remedies of the Association.

6.9.1 Any Assessment, or any installment of an Assessment, not paid within fifteen (15) days after the Assessment, or the installment of the Assessment, first became due shall bear interest from the due date at the rate of fifteen percent (15%) per annum. In addition, the Board may establish a late fee, not to exceed the greater of fifteen dollars (\$15.00) or ten percent (10%) of the amount of the unpaid Assessment or installment thereof (or such greater amount as permitted under applicable law), to be charged to any Owner who has not paid any Assessment, or any installment of an Assessment, within fifteen (15) days after such payment was due. Notwithstanding anything in this Declaration to the contrary, to the extent applicable law from time to time provides for any shorter period of time after which Assessments or any other amounts payable hereunder may or shall become delinquent, such shorter period shall be deemed to apply in lieu of the time period set forth in this Declaration if so elected by the Board.

6.9.2 The Association shall have a lien on each Lot for: (i) all Assessments levied against the Lot; (ii) all interest, lien fees, late charges and other fees and charges assessed against the Lot or payable by the Owner of the Lot; (iii) all fines levied against the Owner of the Lot; (iv) all attorneys' fees, court costs, title report fees, costs and fees charged by any collection agency either to the Association or to an Owner and any other fees

or costs incurred by the Association in attempting to collect Assessments or other amounts due to the Association by the Owner of a Lot; (v) any amounts payable to the Association pursuant to Section 7.3 or 7.4 of this Declaration; and (vi) any other amounts payable to the Association pursuant to the Project Documents. The Recording of this Declaration constitutes record notice and perfection of the Assessment Lien. The Association may, at its option, Record a Notice of Lien setting forth the name of the delinquent Owner as shown in the records of the Association, the legal description or street address of the Lot against which the Notice of Lien is Recorded and the amount claimed to be past due as of the date of the Recording of the Notice of Lien, including interest, lien recording fees and reasonable attorneys' fees. Before Recording any Notice of Lien against a Lot, the Association shall make a written demand to the delinquent Owner for payment of the delinquent Assessments, together with interest, late charges and reasonable attorneys' fees, if any. The demand shall state the date and amount of the delinquency. Each default shall constitute a separate basis for a demand, but any number of defaults may be included within the single demand. If the delinquency is not paid within ten (10) days after delivery of the demand, the Association may proceed with Recording a Notice of Lien against the Lot.

6.9.3 The Assessment Lien shall have priority over all liens or claims except for: (i) liens and encumbrances Recorded before the Recordation of this Declaration; (ii) tax liens for real property taxes; (iii) assessments in favor of any municipal or other governmental body; and (iv) the lien of any First Mortgage or deed of trust on the Lot, or as otherwise provided from time to time under applicable law. Any Person acquiring title or coming into possession of a Lot through foreclosure of a First Mortgage purchased at a foreclosure sale or trustee's sale, or through any equivalent proceedings, such as, but not limited to, the taking of a deed in lieu of foreclosure, shall acquire title free and clear of any claims for unpaid Assessments and charges against the Lot which became payable prior to the acquisition of such Lot by such Person. Any Assessments and charges against the Lot which accrue prior to such sale or transfer shall remain the obligation of the defaulting Owner of the Lot.

6.9.4 The Association shall not be obligated to release the Assessment Lien until all delinquent Assessments, interest, lien fees, fines, reasonable attorneys' fees, court costs, title report fees, collection costs and all other sums payable to the Association by the Owner of the Lot have been paid in full.

6.9.5 The Association shall have the right, at its option, to enforce collection of any delinquent Assessments together with interest, lien fees, reasonable attorneys' fees and any other sums due to the Association in any manner allowed by law including, but not limited to, (i) bringing an action at law against the Owner personally obligated to pay the delinquent Assessments, and such action may be brought without waiving the Assessment Lien securing the delinquent Assessments or (ii) bringing an action to foreclose the Assessment Lien against the Lot in the manner provided by law for the foreclosure of a realty mortgage; provided, however, that an Assessment Lien is extinguished unless proceedings to enforce the Assessment Lien are instituted within three (3) years after the full amount of the Assessment becomes due, or as otherwise provided in A.R.S. §33-1807(F), as amended from

time to time. The Association shall have the power to bid at any foreclosure sale and to purchase, acquire, hold, lease, mortgage and convey any and all Lots purchased at such sale.

6.10 Evidence of Payment of Assessments. Pursuant to A.R.S. §33-1806(A), within ten (10) days after receipt of a written notice of a pending sale of a Lot that includes the name and address of the purchaser, the Association shall mail or deliver, or cause an appropriate officer to mail or deliver, a dated statement setting forth the amount of all Assessments and whether or not all Assessments, interest and other fees and charges have been paid with respect to any specified Lot as of the date of such statement, or if all Assessments have not been paid, the amount of such Assessments, interest, fees and charges due and payable as of such date, together with such other information as is required by law. Pursuant to A.R.S. §33-1807(I), upon receipt of a written request from a lienholder, Member or Person designated by a Member, the Association shall issue, or cause an appropriate officer to issue, a statement setting forth the amount of any unpaid Assessment against the Lot, such statement to be furnished within fifteen (15) days after receipt of the request. A reasonable charge may be made by the Association for the issuance of these certificates or statements. If a certificate or statement states an Assessment has been paid, such certificate or statement shall be binding on the Association.

6.11 Purposes for which Association's Funds May Be Used. The Association shall apply all funds and property collected and received by it (including the Assessments, fees, loan proceeds, surplus funds and all funds and property received by it from any other source) for the common good and benefit of the Project and the Owners and Residents by devoting said funds and property, among other things, to the acquisition, construction, alteration, maintenance, provision and operation, by any manner or method whatsoever, of any and all land, properties, improvements, facilities, services, projects, programs, studies and systems, within or without the Project, which may be necessary, desirable or beneficial to the general common interests of the Project, the Owners and the Residents. The following are some, but not all, of the areas in which the Association may seek to aid, promote and provide for such common benefit: social interaction among Members and Residents, maintenance of landscaping and Improvements on Areas of Association Responsibility, public right-of-way and drainage areas within the Project, recreation, liability insurance and amounts to cover deductibles, communications, ownership and operation of vehicle storage areas, education, transportation, health, utilities, public services, safety and indemnification of officers and directors of the Association. The Association may also expend its funds as permitted under the laws of the State of Arizona or the charter of the municipality in which the Project is located.

6.12 Surplus Funds. The Association shall not be obligated to spend in any year all the Assessments and other sums received by it in such year, and may carry forward as surplus any balances remaining. The Association shall not be obligated to reduce the amount of the Annual Assessment in the succeeding year if a surplus exists from a prior year, and the Association may carry forward from year to year such surplus as the Board in its discretion may determine to be desirable for the greater financial security of the Association and the accomplishment of its purposes.

6.13 Working Capital Fee. To assist the Association in establishing adequate funds to meet its expenses or to purchase necessary equipment or services, for so long as there is a Class B membership, each Purchaser of a Lot shall pay to the Association immediately upon becoming the Owner of the Lot the greater of (i) \$120.00, or (ii) an amount equal to three (3) times the then current monthly Annual Assessment for the Lot (the "Working Capital Fee"). Funds paid to the Association pursuant to this Section 6.13 may be used by the Association for payment of operating expenses, establishing reserves, or any other purpose permitted under the Project Documents, at the Board's sole discretion. Payments made pursuant to this Section 6.13 shall be nonrefundable and shall not be considered as an advance payment of any other Assessments levied by the Association pursuant to this Declaration. When there is no longer a Class B membership, the Board shall have the right, by an affirmative vote of the majority of the members of the Board, and based upon the Board's analysis of replacement and repair reserves, to permanently or temporarily cease assessing the Working Capital Fee, and having ceased to assess the Working Capital Fee, the Board shall have the right to reinstate assessment of such fee at any time thereafter, it being the intent that the Board shall have the right to begin or cease assessment of the Working Capital Fee as the Board deems appropriate from time to time.

6.14 Transfer Fee. In addition to the Working Capital Fee referred to in Section 6.13 above, each Purchaser of a Lot shall pay to the Association immediately upon becoming the Owner of the Lot a transfer fee in such amount as is established from time to time by the Board to cover the expenses of the Association (or its management company) to change its records, to administer the change in ownership, and to pay any ancillary expenses related thereto.

6.15 Reserve Studies. The Board may periodically obtain reserve studies and updates to assist the Board in determining an appropriate amount for repair and replacement reserves for the Association; provided, however, (i) no such report or study shall be required until at least three (3) years have elapsed following the date Assessments begin to accrue; (ii) the results of any such studies and reports shall be advisory only and the Board shall have the right to provide for reserves which are greater or less than those shown in the study; and (iii) in establishing replacement and repair reserves for the Association, in addition to the recommendations of any such studies or reports and other relevant factors, the Board may take into account (a) the amount of Assessments for the Project as compared to other comparable developments; (b) the past incidences of required repairs at the Project; and (c) projected funds available to the Association pursuant to future Working Capital Fees paid pursuant to Section 6.13 of this Declaration.

## **ARTICLE 7**

### **MAINTENANCE**

7.1 Areas of Association Responsibility. The Association, or its duly delegated representative, shall manage, maintain, repair and replace the Areas of Association Responsibility, and all Improvements located thereon, except for any part of the Areas of Association Responsibility which any governmental entity is maintaining, or is obligated to

maintain, in accordance with the Maintenance Standard as determined by the Board. The Board shall be the sole judge as to the appropriate maintenance, repair and replacement of all Areas of Association Responsibility. By acceptance of a deed for a Lot within the Project, or by acquiring any interest in any of the Property subject to this Declaration, each Owner and the Association shall be deemed to have agreed that when the Declarant ceases to be a Class B Member, the Areas of Association Responsibility shall be owned and accepted by the Association subject to reasonable wear and tear and there shall be no obligation of Declarant, or its successors, to repair, replace, or otherwise cause the Areas of Association Responsibility to be placed in like-new condition.

7.2      Lots. Each Owner of a Lot shall be responsible for maintaining, repairing or replacing the Owner's Lot, and all buildings, Residences, landscaping or other Improvements situated thereon, except for any portion of the Lot which is considered Areas of Association Responsibility. All buildings, Residences, landscaping and other Improvements shall at all times be kept in good condition and repair. All grass, hedges, shrubs, vines and plants of any type on a Lot shall be irrigated, mowed, trimmed and cut at regular intervals so as to be maintained in a neat and attractive manner. Trees, shrubs, vines, plants and grass which die shall be promptly removed and replaced with living foliage of like kind, unless different foliage is approved in writing by the Architectural Committee. No yard equipment, wood piles or storage areas may be maintained so as to be Visible From Neighboring Property or streets. All Lots upon which no Residences, buildings or other structures, landscaping or Improvements have been constructed shall be maintained in a weed-free and attractive manner.

7.3      Assessment of Certain Costs of Maintenance and Repair. If the need for maintenance or repair of the Areas of Association Responsibility is caused through the willful or negligent act of any Owner, its family, tenants, guests or invitees, the cost of such maintenance or repairs shall be paid by such Owner to the Association upon demand, and payment of such amounts shall be secured by the Assessment Lien.

7.4      Improper Maintenance and Use of Lots. If any portion of any Lot is so maintained as to present a public or private nuisance, or as to substantially detract from the appearance or quality of the surrounding Lots or other areas of the Project which are substantially affected thereby or related thereto, including, without limitation, the failure to install landscaping within the time allowed under Section 7.7 below, or if any portion of a Lot is being used in a manner which violates the Project Documents, or if the Owner of any Lot fails to perform any of its obligations under the Project Documents, the Board may make a finding to such effect, specifying the particular condition or conditions which exist, and pursuant thereto give written notice thereof to the offending Owner that unless corrective action is taken within fourteen (14) days of the date of the notice, the Board may cause such action to be taken at said Owner's cost. If at the expiration of said fourteen (14) day period of time the requisite corrective action has not been taken, the Board shall be authorized and empowered to cause such action to be taken and the cost thereof shall be paid by such Owner to the Association upon demand and payment of such amounts shall be secured by the Assessment Lien.

7.5 Boundary Walls.

7.5.1 Each wall or fence which is located between two Lots shall constitute a Boundary Wall and, to the extent not inconsistent with this Section 7.5, the general rules of law regarding boundary walls shall apply.

7.5.2 The Owners of contiguous Lots who have a Boundary Wall shall both equally have the right to use such wall, provided that such use by one Owner does not interfere with the use and enjoyment of same by the other Owner.

7.5.3 If any Boundary Wall is damaged or destroyed through the act of an Owner, its agents, lessees, licensees, guests or family, it shall be the obligation of such Owner to rebuild and repair the Boundary Wall without cost to the other Owner or Owners.

7.5.4 If any Boundary Wall is damaged or destroyed by some cause other than the act of one of the adjoining Owners, its agents, tenants, licensees, guests or family (including ordinary wear and tear and deterioration from lapse of time), then, in such event, all such adjoining Owners shall proceed forthwith to rebuild or repair the same to as good condition as formerly at their joint expense pursuant to the provisions of this Section 7.5.

7.5.5 Notwithstanding any other provision of this Section 7.5, an Owner who, by his negligent or willful act, causes any Boundary Wall to be exposed to the elements shall bear the whole cost of furnishing the necessary protection against such elements.

7.5.6 The right of any Owner to contribution from any other Owner under this Section 7.5 shall be appurtenant to the land and shall pass to such Owner's successors in title.

7.5.7 In addition to meeting the other requirements of this Declaration and of any other building codes or similar regulations or ordinances, any Owner proposing to modify, make additions to, or rebuild a Boundary Wall shall first obtain the written consent of the adjoining Residents, or the Owner of a Lot if the Resident is a Lessee. In the event of a dispute between Owners with respect to the need for or method of repair, rebuilding, addition to, or modification of a Boundary Wall, or with respect to sharing of the cost thereof, then, upon written request of one such Owner addressed to the Association, the matter shall be submitted to the Architectural Committee for resolution whose decision shall be final.

7.5.8 To the extent necessary to allow an Owner to construct a swimming pool or other Improvements in the back yard of a Lot, an Owner may remove all or a part of a Boundary Wall, provided the Owner gives reasonable notice to the adjoining Owner(s) that all or a part of the Boundary Wall will be removed, and provided the Owner obtains approval of the Architectural Committee regarding securing or closing such opening when construction is not occurring. Any Owner removing all or a part of a Boundary Wall pursuant to this Subsection 7.5.8 shall rebuild and restore the Boundary Wall to its prior condition at such Owner's sole cost and expense within a reasonable time after entry through the

Boundary Wall is no longer necessary in connection with the construction of Improvements in the back yard of such Owner's Lot.

**7.6      Maintenance of Walls other than Boundary Walls.**

7.6.1      Walls located on a Lot shall be maintained, repaired and replaced by the Owner of the Lot, except as provided in Subsection 7.6.2 below.

7.6.2      Any wall which is placed on or near the boundary line between a Lot and (i) the Areas of Association Responsibility, or (ii) the perimeter of the Project, or (iii) an adjacent right-of-way, shall be maintained, repaired and replaced by the Owner of the Lot, except that the Association shall be responsible for the repair and maintenance of the side of the wall which faces Areas of Association Responsibility, the perimeter of the Project, or an adjacent right-of-way.

7.7      Installation of Landscaping. Within ninety (90) days after acquiring a Lot from Declarant, and subject to approval of the Architectural Committee pursuant to Section 3.1 of this Declaration, the original Purchaser of a Lot shall install grass, trees, plants or other landscaping improvements (together with any sprinkler system or drip irrigation system sufficient to adequately water the grass, trees, plants or other landscaping improvements) on that part of the Lot which is between the street or public right-of-way adjacent to the Lot and the exterior walls of the Residence situated on the Lot except for any side or back yard of the Lot which is completely enclosed by a wall or fence, and except for any part of such area which is within the Areas of Association Responsibility.

**ARTICLE 8  
INSURANCE**

8.1      Scope of Coverage. Commencing not later than the time of the first conveyance of a Lot to a Purchaser, the Association shall maintain, to the extent reasonably available, the following insurance coverage in such amounts as the Board may determine to be appropriate from time to time:

8.1.1      Property insurance on all Areas of Association Responsibility, (including, but not limited to, fixtures, Improvements, building service equipment, common personal property and supplies) insuring against all risk of direct physical loss, insured against in an amount equal to the maximum insurable replacement value of the Areas of Association Responsibility, as determined by the Board; provided, however, that the total amount of insurance after application of any deductibles shall not be less than one hundred percent (100%) of the current replacement cost of the insured property, exclusive of land, excavations, foundations and other items normally excluded from a property policy, including "Agreed Amount" and "Inflation Guard" endorsements. Unless a higher maximum amount is required

by Arizona law, the maximum deductible amount for policies covering Areas of Association Responsibility shall be the lesser of \$10,000 or one percent (1%) of the policy face amount;

8.1.2 Comprehensive general liability insurance, including medical payments insurance, in an amount determined by the Board, but not less than \$1,000,000 for any single occurrence. Such insurance shall cover all occurrences commonly insured against for death, bodily injury and property damage arising out of or in connection with the use, ownership or maintenance of the Areas of Association Responsibility and all other portions of the Project which the Association is obligated to maintain under this Declaration, and shall also include hired automobile and non-owned automobile coverages with cost liability endorsements to cover liabilities of the Owners as a group to an Owner;

8.1.3 Workmen's compensation insurance to the extent necessary to meet the requirements of the laws of the State of Arizona;

8.1.4 To the extent reasonably available, liability insurance for directors, officers and committee members of the Association in an amount determined by the Board, but not less than \$1,000,000;

8.1.5 If the Project is located in an area identified by the Secretary of Housing & Urban Development as an area having special flood hazards, a policy covering the Areas of Association Responsibility and any Improvements thereon in the lesser of one hundred percent (100%) of the insurable value of the Improvements and any other property covered on the required form of policy or the maximum limit of coverage available under the National Flood Insurance Administration program. Unless a higher deductible amount is required by Arizona law, the maximum deductible amount for such policy covering the Areas of Association Responsibility is the lesser of \$10,000 or one percent (1%) of the policy's face amount;

8.1.6 Such other insurance as the Association shall determine from time to time to be appropriate to protect the Association or the Owners and Residents; and

8.1.7 The insurance policies purchased by the Association shall, to the extent reasonably available, contain the following provisions: (i) there shall be no subrogation with respect to the Association, its agents, servants, and employees, with respect to Owners and members of their household; (ii) no act or omission by any Owner, unless acting within the scope of the Owner's authority on behalf of the Association, will void the policy or be a condition to recovery on the policy; (iii) that the coverage afforded by such policy shall not be brought into contribution or proration with any insurance which may be purchased by Owners or their mortgagees or beneficiaries under deeds of trust; (iv) a "severability of interest" endorsement which shall preclude the insurer from denying the claim of an Owner because of the negligent acts of the Association or other Owners; (v) statement of the name of the insured as the Association with coverage also extending to all Owners; and (vi) for policies of hazard insurance, a standard mortgagee clause providing that the insurance carrier shall notify the first

mortgagee named in the policy at least thirty (30) days in advance of the effective date of any substantial modification, reduction or cancellation of the policy.

8.2 Certificates of Insurance. An insurer that has issued an insurance policy under this Article shall issue a certificate or a memorandum of insurance to the Association and, upon request, to any Owner, mortgagee or beneficiary under a deed of trust. Any insurance obtained pursuant to this Article may not be canceled until thirty (30) days after notice of the proposed cancellation has been mailed to the Association, each Owner and each mortgagee or beneficiary under a deed of trust to whom certificates of insurance have been issued.

8.3 Payment of Premiums. The premiums for any insurance obtained by the Association pursuant to Section 8.1 of this Declaration shall be included in the budget of the Association and shall be paid by the Association.

8.4 Payment of Insurance Proceeds. With respect to any loss to any Areas of Association Responsibility covered by property insurance obtained by the Association in accordance with this Article, the loss shall be adjusted with the Association, and the insurance proceeds shall be payable to the Association and not to any mortgagee or beneficiary under a deed of trust. Subject to the provisions of Section 8.5 of this Declaration, the proceeds shall be disbursed for the repair or restoration of the damage to the Areas of Association Responsibility.

8.5 Repair and Replacement of Damaged or Destroyed Property. Any portion of the Areas of Association Responsibility which is damaged or destroyed shall be repaired or replaced promptly by the Association unless (i) repair or replacement would be illegal under any state or local health or safety statute or ordinance, or (ii) Owners representing at least eighty percent (80%) of the total authorized votes in the Association vote not to rebuild. The cost of repair or replacement in excess of insurance proceeds and reserves shall be paid by the Association. If all of the Areas of Association Responsibility are not repaired or replaced, insurance proceeds attributable to the damaged Areas of Association Responsibility shall be used to restore the damaged area to a condition which is not in violation of any state or local health or safety statute or ordinance and the remainder of the proceeds shall either (i) be retained by the Association as an additional capital reserve, or (ii) be used for payment of operating expenses of the Association if such action is approved by the affirmative vote or written consent, or any combination thereof, of Members representing more than fifty percent (50%) of the votes in the Association.

8.6 Waiver by Members. All insurance obtained by the Association shall be maintained by the Association for the benefit of the Association, the Owners and the first mortgagees as their interests may appear. As to each of said policies which will not be voided or impaired thereby, the Owners hereby waive and release all claims against the Association, the Board, other Owners, the Declarant and agents and employees of each of the foregoing, with respect to any loss covered by such insurance, whether or not caused by the negligence of, or

breach of any agreement by, said persons, but only to the extent of insurance proceeds received in compensation for such loss.

## ARTICLE 9 GENERAL PROVISIONS

9.1        Enforcement. The Association or any Owner shall have the right to enforce the Project Documents in any manner provided for in the Project Documents or by law or in equity, including, but not limited to, an action to obtain an injunction to compel removal of any Improvements constructed in violation of this Declaration or to otherwise compel compliance with the Project Documents. The failure of the Association or an Owner to take enforcement action with respect to a violation of the Project Documents shall not constitute or be deemed a waiver of the right of the Association or any Owner to enforce the Project Documents in the future. If any lawsuit is filed by the Association or any Owner to enforce the provisions of the Project Documents or in any other manner arising out of the Project Documents or the operations of the Association, the prevailing party in such action shall be entitled to recover from the other party all attorneys' fees, costs and expenses incurred by the prevailing party in addition to any relief or judgment ordered by the court in the action (including post-judgment attorneys' fees and costs).

9.2        Term; Method of Termination. Unless amended or terminated as hereinafter provided, this Declaration shall continue in full force and effect in perpetuity. This Declaration may be terminated at any time if such termination is approved by the affirmative vote or written consent, or any combination thereof, of the Owners representing ninety percent (90%) or more of the votes in each class of membership. If the necessary votes and consents are obtained, the Board shall cause to be Recorded a Certificate of Termination, duly signed by the President or Vice President and attested by the Secretary or Assistant Secretary of the Association, with their signatures acknowledged. Thereupon this Declaration shall have no further force and effect, and the Association shall be dissolved pursuant to the terms set forth in its Articles.

### 9.3        Amendments.

9.3.1        Except for amendments made pursuant to Subsection 9.3.4 of this Declaration, this Declaration may only be amended by the written approval or the affirmative vote, or any combination thereof, of Owners representing not less than seventy-five percent (75%) of the Lots, or such lesser percentage as may then be permitted by FHA/VA. Amendments may be made at any time during the term of this Declaration.

9.3.2        So long as the Declarant owns any Lot, any amendment to this Declaration must be approved in writing by the Declarant.

9.3.3        If and only if the Board has received written notice that an FHA or VA loan has been obtained by an Owner within the Project, and any such FHA or

VA loan remains unpaid, then so long as there is a Class B membership in the Association, any amendment to this Declaration, except amendments made pursuant to Subsection 9.3.4 below, must have the prior written approval of VA or FHA.

9.3.4 The Declarant, so long as the Declarant owns any Lot, and thereafter, the Board, may amend this Declaration or any Plat, without obtaining the approval or consent of any Owner, (i) in order to conform this Declaration or the Plat to the requirements or guidelines of the FNMA, FHLMC, FHA, VA, or any federal, state or local governmental agency whose approval of the Project or the Project Documents is required by law or requested by the Declarant or the Board; or (ii) to correct any error or inconsistency in the Declaration.

9.3.5 So long as the Declarant owns more than seventy-five percent (75%) of the Lots subject to this Declaration, any amendment to this Declaration shall be signed by Declarant. At any time the Declarant does not own at least seventy-five percent (75%) of the Lots subject to this Declaration, any amendment approved pursuant to Subsection 9.3.1 of this Declaration or by the Board pursuant to Subsection 9.3.4 of this Declaration shall be signed by the President or Vice President of the Association, and any such amendment shall certify that the amendment has been approved as required by this Subsection 9.3.5. Any amendment made by the Declarant pursuant to Subsection 9.3.4 of this Declaration shall be signed by the Declarant. All amendments shall be Recorded in the records of Maricopa County to become effective. Unless a later effective date is provided for in the amendment, any amendment to this Declaration shall be effective upon the Recording of the amendment.

9.3.6 Notwithstanding anything to the contrary herein, no amendment to this Declaration which modifies or deletes any portion of Article 10 or Section 5.13 of this Declaration or which has an affect on the Declarant, in its sole judgment, shall be made unless the Declarant, whether or not the Declarant still owns property within the Project, approves of such amendment in a Recorded document.

9.4 Interpretation. Except for judicial construction, the Association shall have the exclusive right to construe and interpret the provisions of this Declaration. In the absence of any adjudication to the contrary by a court of competent jurisdiction, the Association's construction or interpretation of the provisions hereof shall be final, conclusive and binding as to all Persons and property benefitted or bound by this Declaration. In the event of any conflict between this Declaration and the Articles, Bylaws, Association Rules or Architectural Committee Rules, this Declaration shall control. In the event of any conflict between the Articles and the Bylaws, the Articles shall control. In the event of any conflict between the Bylaws and the Association Rules or the Architectural Committee Rules, the Bylaws shall control.

9.5 Severability. Any determination by any court of competent jurisdiction that any provision of this Declaration is invalid or unenforceable shall not affect the validity or enforceability of any of the other provisions hereof.

9.6 Rule Against Perpetuities. If any interest purported to be created by this Declaration is challenged under the Rule against Perpetuities or any related rule, the interest shall be construed as becoming void and of no effect as of the end of the applicable period of perpetuities computed from the date when the period of perpetuities starts to run on the challenged interest; the "lives in being" for computing the period of perpetuities shall be (i) those which would be used in determining the validity of the challenged interest, plus (ii) those of the issue of the Board who are living at the time the period of perpetuities starts to run on the challenged interest.

9.7 Change of Circumstances. Except as otherwise expressly provided in this Declaration, no change of conditions or circumstances shall operate to extinguish, terminate or modify any of the provisions of this Declaration.

9.8 Notice of Violation. The Association shall have the right to Record a written notice of a violation by any Owner or Resident of any restriction or other provision of the Project Documents. Such notice shall be executed by an officer of the Association and shall contain substantially the following information: (i) the name of the Owner or Resident violating, or responsible for the violation of, the Project Documents; (ii) the legal description of the Lot against which the notice is being Recorded; (iii) a brief description of the nature of the violation; (iv) a statement that the notice is being Recorded by the Association pursuant to this Declaration; and (v) a statement of the specific steps which must be taken by the Owner or occupant to cure the violation. Recordation of a notice of violation shall serve as notice to the Owner and Resident, and any subsequent purchaser of the Lot, that there is such a violation. If, after the Recordation of such notice, it is determined by the Association that the violation referred to in the notice does not exist or that the violation referred to in the notice has been cured, the Association shall Record a notice of compliance which shall state the legal description of the Lot against which the notice of violation was Recorded, and the recording data of the notice of violation, and shall state that the violation referred to in the notice of violation has been cured or that the violation did not exist. Failure by the Association to Record a notice of violation shall not constitute a waiver of any such violation, constitute any evidence that no violation exists with respect to a particular Lot or constitute a waiver of any right of the Association to enforce the Project Documents.

#### 9.9 Laws, Ordinances and Regulations.

9.9.1 The covenants, conditions and restrictions set forth in this Declaration and the provisions requiring Owners and other Persons to obtain the approval of the Board or the Architectural Committee with respect to certain actions are independent of the obligation of the Owners and other Persons to comply with all applicable laws, ordinances and regulations, and compliance with this Declaration shall not relieve an Owner or any other Person from the obligation to also comply with all applicable laws, ordinances and regulations.

9.9.2 Any violation of any state, municipal, or local law, ordinance or regulation pertaining to the ownership, occupation or use of any property within the Property

is hereby declared to be a violation of this Declaration and subject to any or all of the enforcement procedures set forth herein.

9.10 No Warranty of Enforceability. Declarant is not aware that any of the covenants contained in this Declaration are invalid or unenforceable for any reason or to any extent; however, Declarant makes no warranty or representation as to the present or future validity or enforceability of any particular covenant, or the compliance of any provisions of this Declaration with public laws, ordinances and regulations applicable thereto. Any Owner acquiring a Lot in reliance on one or more of the covenants contained in this Declaration assumes all risk of the validity and enforceability thereof, and neither the Declarant nor the Association shall be liable in damages or otherwise to any Person in the event any covenant is hereafter determined to be invalid or unenforceable in whole or in part.

9.11 References to this Declaration in Deeds. Deeds to and instruments affecting any Lot or any other part of the Project may contain the covenants, conditions and restrictions herein set forth by reference to this Declaration; but regardless of whether any such reference is made in any deed or instrument, each and all of the provisions of this Declaration shall be binding upon the grantee-Owner or other Person claiming through any instrument and its heirs, executors, administrators, successors and assigns.

9.12 Gender and Number. Wherever the context of this Declaration so requires, words used in the masculine gender shall include the feminine and neuter genders; words used in the neuter gender shall include the masculine and feminine genders; words in the singular shall include the plural; and words in the plural shall include the singular.

9.13 Captions and Titles. All captions, titles or headings of the Articles and Sections in this Declaration are for the purpose of reference and convenience only and are not to be deemed to limit, modify or otherwise affect any of the provisions hereof or to be used in determining the intent or context thereof.

9.14 Notices. If notice of any action or proposed action by the Board or any committee or of any meeting is required by applicable law, this Declaration or resolution of the Board to be given to any Owner or Resident then, unless otherwise specified herein or in the resolution of the Board, such notice requirement shall be deemed satisfied if notice of such action or meeting is published once in any newspaper in general circulation within Maricopa County. This Section 9.14 shall not be construed to require that any notice be given if not otherwise required and shall not prohibit satisfaction of any notice requirement in any other manner.

9.15 FHA/VA Approval. If and only if the Board has received written notice that an FHA or VA loan has been obtained by an Owner within the Project, and any such FHA or VA loan remains unpaid, then so long as there is a Class B membership in the Association, unless waived by FHA/VA or unless no longer required by applicable FHA/VA regulations, the following actions shall require the prior written approval of the FHA or VA:

## **8.2     Lots and Parcels.**

Each Owner of a Lot shall be responsible for the Maintenance of his Lot, and all buildings, Residences, landscaping or other Improvements situated thereon, except for any portion of the Lot, or any Improvement situated thereon, which is an Area of Association Responsibility. All buildings, Residences, landscaping and other Improvements shall at all times be kept in good condition and repair. All grass, hedges, shrubs, vines and plants of any type on a Lot shall be irrigated, mowed, trimmed and cut at regular intervals so as to be maintained in a neat and attractive manner. Trees, shrubs, vines, plants and grass which die shall be promptly removed and replaced with living foliage of like kind, unless different foliage is approved in writing by the Design Review Committee. No yard equipment, wood piles or storage areas may be maintained so as to be Visible From Neighboring Property or streets. All Lots or Parcels upon which no Residences, buildings or other structures, landscaping or Improvements have been constructed shall be maintained in a weed free and attractive manner.

## **8.3     Assessment of Certain Costs of Maintenance and Repair.**

In the event that the need for Maintenance of an Area of Association Responsibility is caused through the willful or negligent act of any Owner, his family, tenants, guests or invitees, the cost of such Maintenance shall be paid by such Owner to the Association upon demand and payment of such amounts shall be secured by the Assessment Lien.

## **8.4     Improper Maintenance and Use of Lots or Parcels.**

In the event any portion of any Lot or Parcel is so maintained as to present a public or private nuisance, or as to substantially detract from the appearance or quality of the surrounding Lots or Parcels or other areas of the Project which are substantially affected thereby or related thereto, or in the event any portion of a Lot or Parcel is being used in a manner which violates this Declaration; or in the event the Owner of any Lot or Parcel is failing to perform any of its obligations under the Community Documents, the Board may make a finding to such effect, specifying the particular condition or conditions which exist, and pursuant thereto give notice thereof to the offending Owner that unless corrective action is taken within fifteen (15) days, the Board may cause such action to be taken at said Owner's cost. If at the expiration of said fifteen day period the requisite corrective action has not been taken, the Board shall be authorized and empowered to cause such action to be taken and the cost thereof shall be paid by such Owner to the Association upon demand and payment of such amounts shall be secured by the Assessment Lien.

## **8.5     Boundary Walls.**

Each wall or fence which is located between two Lots shall constitute a boundary wall and, to the extent not inconsistent with this Section, the general rules of law regarding boundary walls shall apply.

The Owners of contiguous Lots who share a boundary wall shall both equally have the right to use such wall provided that such use by one Owner does not interfere with the use and enjoyment of same by the other Owner.

Except as otherwise provided in this Section, the Owners of contiguous Lots who share a boundary wall shall each pay one-half ( $\frac{1}{2}$ ) of the cost of any maintenance, repair or replacement of the boundary wall. Either of such Owners may perform any necessary repair, maintenance or replacement of the boundary wall and in such event, such Owner shall be entitled to reimbursement from the other Owner for one-half ( $\frac{1}{2}$ ) of such cost.

In the event that any boundary wall is damaged or destroyed through the negligence or willful act of an Owner, his agents, tenants, licensees, guests or family, it shall be the obligation of such Owner to rebuild and repair the boundary wall without cost to the other Owner or Owners who share the boundary wall.

The right of any Owner to contribution from any other Owner under this Section shall be appurtenant to the land and shall pass to such Owner's successors in title. In addition to meeting the other requirements of this Declaration and of any other building code or similar regulations or ordinances, any Owner proposing to modify, make additions to or rebuild a boundary wall shall first obtain the written consent of the adjoining Owners.

In the event any boundary wall encroaches upon a Lot, a valid easement for such encroachment and for the maintenance of the boundary wall shall and does exist in favor of the Owners of the Lots which share such boundary wall.

The Developer hereby reserves to itself and its successors and assigns and grants to each Designated Builder and its successors and assigns a perpetual, non-exclusive easement over, under, upon and across the Lots and Parcels for the purpose of repairing or relocating a boundary wall without the consent of the Owners who share the use of the boundary wall.

#### **8.6 Maintenance of Walls other than Boundary Walls.**

Walls (other than boundary walls) located on a Lot or Parcel shall be maintained, repaired and replaced by the Owner of the Lot or Parcel. Any wall which is placed on the boundary line between a Lot or Parcel and an Area of Association Responsibility shall be maintained, repaired and replaced by the Owner of the Lot or Parcel, except that the Association shall be responsible for the repair and maintenance of the side of the wall which faces the Area of Association Responsibility. In the event any such wall encroaches upon the Common Area or a Lot or Parcel, an easement for such encroachment shall exist in favor of the Association or the Owner of the Lot or Parcel, as the case may be. Any wall which is placed on the boundary line between a Lot or Parcel and public right-of-way shall be maintained, repaired and replaced by the Owner of the Lot or Parcel, except that the Association shall be responsible for the repair and replacement of the surface of the wall which faces the public right-of-way.

10.4 Alternative Dispute Resolution. Any dispute or claim between or among (i) a Developer (or its brokers, agents, consultants, contractors, subcontractors, or employees) on the one hand, and any Owner(s) or the Association on the other hand; or (ii) any Owner and another Owner; or (iii) the Association and any Owner regarding any controversy or claim between the parties, including any claim based on contract, tort, or statute, arising out of or relating to (a) the rights or duties of the parties under this Declaration; (b) the design or construction of the Project; (c) or an Alleged Defect, but excluding disputes relating to the payment of any type of Assessment (collectively a "Dispute"), shall be subject to first to negotiation, then mediation, and then arbitration as set forth in this Section 10.4 prior to any party to the Dispute instituting litigation with regard to the Dispute.

10.4.1 Negotiation. Each party to a Dispute shall make every reasonable effort to meet in person and confer for the purpose of resolving a Dispute by good faith negotiation. Upon receipt of a written request from any party to the Dispute, the Board may appoint a representative to assist the parties in resolving the dispute by negotiation, if in its discretion the Board believes its efforts will be beneficial to the parties and to the welfare of the community. Each party to the Dispute shall bear their own attorneys' fees and costs in connection with such negotiation.

10.4.2 Mediation. If the parties cannot resolve their Dispute pursuant to the procedures described in Subsection 10.4.1 above within such time period as may be agreed upon by such parties (the "Termination of Negotiations"), the party instituting the Dispute (the "Disputing Party") shall have thirty (30) days after the termination of negotiations within which to submit the Dispute to mediation pursuant to the mediation procedures adopted by the American Arbitration Association or any successor thereto or to any other independent entity providing similar services upon which the parties to the Dispute may mutually agree. No person shall serve as a mediator in any Dispute in which such person has a financial or personal interest in the result of the mediation, except by the written consent of all parties to the Dispute. Prior to accepting any appointment, the prospective mediator shall disclose any circumstances likely to create a presumption of bias or to prevent a prompt commencement of the mediation process. If the Disputing Party does not submit the Dispute to mediation within thirty days after Termination of Negotiations, the Disputing Party shall be deemed to have waived any claims related to the Dispute and all other parties to the Dispute shall be released and discharged from any and all liability to the Disputing Party on account of such Dispute; provided, nothing herein shall release or discharge such party or parties from any liability to Persons not a party to the foregoing proceedings.

10.4.2.1 Position Memoranda: Pre-Mediation Conference. Within ten (10) days of the selection of the mediator, each party to the Dispute shall submit a brief memorandum setting forth its position with regard to the issues to be resolved. The mediator shall have the right to schedule a pre-mediation conference and all parties to the Dispute shall attend unless otherwise agreed. The mediation shall commence within ten (10)

days following submittal of the memoranda to the mediator and shall conclude within fifteen (15) days from the commencement of the mediation unless the parties to the Dispute mutually agree to extend the mediation period. The mediation shall be held in Maricopa County or such other place as is mutually acceptable by the parties to the Dispute.

10.4.2.2 Conduct of Mediation. The mediator has discretion to conduct the mediation in the manner in which the mediator believes is most appropriate for reaching a settlement of the Dispute. The mediator is authorized to conduct joint and separate meetings with the parties to the Dispute and to make oral and written recommendations for settlement. Whenever necessary, the mediator may also obtain expert advice concerning technical aspects of the dispute, provided the parties to the Dispute agree to obtain and assume the expenses of obtaining such advice as provided in Subsection 10.4.2.5 below. The mediator does not have the authority to impose a settlement on any party to the Dispute.

10.4.2.3 Exclusion Agreement. Any admissions, offers of compromise or settlement negotiations or communications at the mediation shall be excluded in any subsequent dispute resolution forum.

10.4.2.4 Parties Permitted at Sessions. Persons other than the parties to the Dispute may attend mediation sessions only with the permission of all parties to the Dispute and the consent of the mediator. Confidential information disclosed to a mediator by the parties to the Dispute or by witnesses in the course of the mediation shall be confidential. There shall be no stenographic record of the mediation process.

10.4.2.5 Expenses of Mediation. The expenses of witnesses for either side shall be paid by the party producing such witnesses. All other expenses of the mediation, including, but not limited to, the fees and costs charged by the mediator and the expenses of any witnesses or the cost of any proof or expert advice produced at the direct request of the mediator, shall be borne equally by the parties to the Dispute unless agreed to otherwise. Each party to the Dispute shall bear their own attorneys' fees and costs in connection with such mediation.

10.4.3 Final and Binding Arbitration. If the parties cannot resolve their Dispute pursuant to the procedures described in Subsection 10.4.2 above, the Disputing Party shall have thirty (30) days following termination of mediation proceedings (as determined by the mediator) to submit the Dispute to arbitration in accordance with the Commercial Arbitration Rules of the American Arbitration Association, as modified or as otherwise provided in this Section 10.4. If the Disputing Party does not submit the Dispute to arbitration within thirty days after termination of mediation proceedings, the Disputing Party shall be deemed to have waived any claims related to the Dispute and all other parties to the Dispute shall be released and discharged from any and all liability to the Disputing Party on account of such Dispute; provided, nothing herein shall release or discharge such party or parties from any liability to Persons not a party to the foregoing proceedings.

The existing parties to the Dispute shall cooperate in good faith to ensure that all necessary and appropriate parties are included in the arbitration proceeding. No Developer shall be required to participate in the arbitration proceeding if all parties against whom a Developer would have necessary or permissive cross-claims or counterclaims are not or cannot be joined in the arbitration proceedings. Subject to the limitations imposed in this Section 10.4, the arbitrator shall have the authority to try all issues, whether of fact or law.

10.4.3.1 Place. The arbitration proceedings shall be heard in Maricopa County.

10.4.3.2 Arbitration. A single arbitrator shall be selected in accordance with the rules of the American Arbitration Association from panels maintained by the Association with experience in relevant matters which are the subject of the Dispute. The arbitrator shall not have any relationship to the parties or interest in the Project. The parties to the Dispute shall meet to select the arbitrator within ten (10) days after service of the initial complaint on all defendants named therein.

10.4.3.3 Commencement and Timing of Proceeding. The arbitrator shall promptly commence the arbitration proceeding at the earliest convenient date in light of all of the facts and circumstances and shall conduct the proceeding without undue delay.

10.4.3.4 Pre-hearing Conferences. The arbitrator may require one or more pre-hearing conferences.

10.4.3.5 Discovery. The parties to the Dispute shall be entitled to limited discovery only, consisting of the exchange between the parties of the following matters: (i) witness lists; (ii) expert witness designations; (iii) expert witness reports; (iv) exhibits; (v) reports of testing or inspections of the property subject to the Dispute, including but not limited to, destructive or invasive testing; and (vi) trial briefs. Developers shall also be entitled to conduct further tests and inspections as provided in Section 10.1 above. Any other discovery shall be permitted by the arbitrator upon a showing of good cause or based on the mutual agreement of the parties to the Dispute. The arbitrator shall oversee discovery and may enforce all discovery orders in the same manner as any trial court judge.

10.4.3.6 Limitation on Remedies/Prohibition on the Award of Punitive Damages. Notwithstanding contrary provisions of the Commercial Arbitration Rules, the arbitrator in any proceeding shall not have the power to award punitive or consequential damages; however, the arbitrator shall have the power to grant all other legal and equitable remedies and award compensatory damages. The arbitrator's award may be enforced as provided for in the Uniform Arbitration Act, A.R.S. § 12-1501, et seq., or such similar law governing enforcement of awards in a trial court as is applicable in the jurisdiction in which the arbitration is held.

10.4.3.7 Motions. The arbitrator shall have the power to hear and dispose of motions, including motions to dismiss, motions for judgment on the

pleadings, and summary judgment motions, in the same manner as a trial court judge, except the arbitrator shall also have the power to adjudicate summarily issues of fact or law including the availability of remedies, whether or not the issue adjudicated could dispose of an entire cause of action or defense.

10.4.3.8 Expenses of Arbitration. Each party to the Dispute shall bear all of its own costs incurred prior to and during the arbitration proceedings, including the fees and costs of its attorneys or other representatives, discovery costs, and expenses of witnesses produced by such party. Each party to the Dispute shall share equally all charges rendered by the arbitrator unless otherwise agreed to by the parties.

10.5 Statutes of Limitations. Nothing in this Article shall be considered to toll, stay, reduce, or extend any applicable statute of limitations.

10.6 Enforcement of Resolution. If the parties to a Dispute resolve such Dispute through negotiation or mediation in accordance with Subsection 10.4.1 or Subsection 10.4.2 above, and any party thereafter fails to abide by the terms of such negotiation or mediation, or if the parties accept an award of arbitration in accordance with Subsection 10.4.3 and any party to the Dispute thereafter fails to comply with such award, then the other party to the Dispute may file suit or initiate administrative proceedings to enforce the terms of such negotiation, mediation, or the award without the need to again comply with the procedures set forth in this Article. In such event, the party taking action to enforce the terms of the negotiation, mediation, or the award shall be entitled to recover from the non-complying party (or if more than one non-complying party, from all such parties pro rata), all costs incurred to enforce the terms of the negotiation or mediation or the award including, without limitation, attorneys fees and court costs.

10.7 Conflicts. Notwithstanding anything to the contrary in this Declaration, if there is a conflict between this Article and any other provisions of the Project Documents, this Article shall control.

IN WITNESS WHEREOF, the undersigned Declarant has executed this Declaration as of the day and year first above written.
